4 Mr Hankin may be appointed as Lecturer in Medical Jurisprudence. As regards lectures on Lunacy, it is not necessary that the lectures should always be given in charge of the Lunatic Asylum. As Mr Abboy Naidu has had prior experience as an Assistant in charge of Lunatics having been long in charge of the Lunatic Asylum, it is not right to deprive his students of the benefit of his extensive knowledge. The appts to already made need not however be disturbed.

NOTE—Contn. sheet.

set aside the objection raised by the Sanitary Commissioner and order the appointment of Mr. V. L. Manker, Senior Officer in charge of the Public Health Laboratory and Chemical Examiner, as the Lecturer in Medical Jurisprudence.

In this connection I may bring to notice that in G.O No.G.27635-Med.36-18-13 dated 4th August 1919, the appointment of Mr. Abboy Naidu as Lecturer in Lunacy had been sanctioned by Government, in consideration of the fact that Mr. Abboy Naidu was then the Superintendent of the Lunatic Asylum. The charge of the Lunatic Asylum has since been separated from that of the Medical Stores and Mr.G. S. David has been put in charge of the Lunatic Asylum in accordance with Notification No.G.18813-Med. 42-19-18, dated 16-February 1920. As a necessary consequence Mr. G.S.David has to be appointed Lecturer in Lunacy in stead of Mr. Abboy Naidu. I request that this change may also be sanctioned and the orders of Government on both these points communicated to me as early as possible.

I have the honor to be,

Sir,

Yourmost obedient servant,

Offg.Senior Surgeon.
